

A LITTLE BIT ABOUT

OUR STUDIO

We believe wedding photography is an art. Seeing everything without being seen...being everywhere without being felt...creatively capturing all the memorable moments of a wedding day...that's what makes wedding photography an art.

Photography is our love and our career.

real moments
real photography
real memories

When you open a really amazing wedding magazine spread what knocks you off your socks? The real images of that specific wedding day: the details, family emotions, wonderful guests interactions and of-course the couple in their most beautiful moments.

We're here to perfectly document your stunning wedding day, to help you and your family remember everything that happens on your special day that will help define the rest of your lives together.

WHAT TO EXPECT

We would schedule a chat or a meeting based around your schedule over the next few days. You can visit us at our studio or we can meet at your location.

This meeting is more to determine that our personalities are a good fit! It's so important to mesh with your photographer and have great chemistry!

Once we have you on our calendar for your wedding with a \$300 retainer, we'll begin planning your engagement session.

Getting married is such an exciting time in your life and these sessions are the perfect way not only to document it, but it allows us the opportunity to get to know each other a little better. Learn how we each work and get comfortable before your wedding.

Now, your big day is here! My assistant and I will arrive and begin walking through the venue – taking detail shots where we can and get setup in the reception area. We'll shoot your wedding from you getting ready to your final exit. There will probably be tears during your first look.. your vows.. and maybe during in the reception.

Once your images are ready, the process is much like your portrait sessions. We'll post your teasers, blog your images, upload the images to a password protected gallery to share with your friends and family and contact you to send your images and begin designing your album!

It's a fun and seamless process. Our goal is to make your wedding planning experience more enjoyable and turn your moments into tangible memories!

FREQUENTLY ASKED QUESTIONS

FAQ

How long does it take to get our images?

Online galleries and digital files are ready within 6 weeks of the wedding date. Upon final approval of album designs most albums are ready for delivery within 8 weeks.

How many images will we get?

The number of photographs taken depends on many things – the number of guests, hours of coverage, types of events. From a typical 10 hour wedding you should expect no less than 400 images, but usually the number is much higher.

Do you come to the rehearsal?

Rehearsal dinner coverage is available if you'd like to add it to your collection, otherwise we do not attend the rehearsals.

Can you hold the date for me?

Sorry, unfortunately we can not hold the date or pencil you in. To be fair to everyone we can't "hold" a date without a retainer and a signed contract.

Do you refund retainers on cancellations?

No. The retainer fee is non-refundable. The retainer guarantees that we will hold the date exclusively for you and once you've signed the contract we do turn down all other commissions for that date.

We're ready to book, what's next?

Great! When ever you're ready, we require a signed contract and a retainer fee of \$300 The remaining balance is due 2 weeks before your wedding date. A signed contract is required in order to book the date.
